BURNT QUARTERS
Dinwiddie County, Virginia

Date of erection: Eighteenth century

Present condition: Good

Description:

Frame, main block two stories with a low hip roof, wings story and a half with gable roofs and gabled dormers. All sash is six-over-nine lights except the dormer sash, which is four-over-four, and the two lower windows in the main block, which are nine-over-nine lights with a larger glass size. The front of the main block is three bays, the door at the right. The wings are each two bays.
